Ms. Hoag,

If you can figure out why a dead client is being represented, I would love to know. I didn't realize orders were issued to promote criminal tax fraud and evasion but evidently I'm naive. This is a grievance to the Boulder Combined Court. The Colorado Supreme Court just took one about these lawyers. They should all be disbarred.

Senate Judiciary,

The fraud domestic violence order, and fraudulent DV related orders, are being submitted and transmitted everywhere now. If this doesn't warrant prosecutions, nothing does. What's the City Attorney's purpose here? The promotion of criminal tax fraud and evasion? That is about to become a federal question. Every lawyer I have spoken with views both of these orders as void and there are more serious constitutional questions involved. I did NOT email and phone Cohen until the time of his death. As I explained to the Colorado Supreme Court, that is a bald faced material lie. The courts are permitting this. They are also promoting VAWA funding fraud. Paulette believes the purpose of Streeter lying now is harassment, retaliation, and liability.

IRS, FBI, and DOJ,

Carla, at the Colorado Supreme Court, took my complaint. An attorney has been assigned. I have generally complained as follows:

- 1) They are representing a deceased client; have failed to substitute a representative for the estate; and refuse to provide any evidence that they are representatives of the estate;
- 2) They refuse to communicate with me;
- 3) They have blatantly lied that I threatened and/or continued to call Cohen from the time of my "incarceration" until his death. I did not. I also didn't continue emailing him. I requested federal tax information and am going into federal court next week for an injunction re. these two insane orders.

4) They have transmitted fraudulent information to the court related to a domestic violence order. The Colorado Supreme Court asked if Cohen and I were ever married, etc. The answer is no.

The complaint numbers are listed below. When I speak with the attorney assigned, I will ask about Keane's substitution although there is no trust document so it's very hard to make a determination.

I intend to sue Springer & Steinberg.

Ryan Cox,

I'm reviewing your motion for contempt and all the fraudulent misrepresentations, false statements, and so forth. As of this date, I have an incomplete trust document re. the substitution of Robert Kory for Cohen's estate. That was filed with Keane's documents - not yours.

Where is the evidence that your firm represents the estate of Leonard Cohen? I think with an army of lawyers, willing to do and say anything, you could figure this out. You're not representing Leonard Cohen. He has passed away. Where is the evidence that you represent the estate?
